Why join ILLCOS?

ILLCOS is the Illawarra Communication Support Network, a group of people who aim to promote and support alternative and augmentative communication (AAC) for people with complex communication needs.

Members can:

- Use the Resource Room
- Borrow the 100+ resources from the library, including electronic devices, books, CDs, and examples of visual supports
- Attend workshops
- Join the organising committee and help to promote AAC

Membership is FREE for individuals, and organisations and professionals pay a small annual fee (\$20).
